

STANDARD LIMITED WARRANTY

1. Warranty

- Precision Mounting Technologies Ltd. (PMT) warrants to the reseller and the original end user that each product will - at the time of shipment - be free from defects in materials and workmanship under normal use and service for the warranty period specified below. Normal wear and tear conditions are covered, with the exception of certain conditions outlined in the product warranty, such as docking station connectors from client applications that damage the connector beyond specification.
- This warranty is limited to repair, replacement at PMT's option, with reasonable promptness after the reseller or end user gives notice to PMT of the repair within the warranty period, and the product is returned to PMT with transportation charges prepaid. The customer is responsible for safe transport of covered product needing repair to the PMT Service Centre, and bears all costs and risks associated with this transportation.
- The warranty on electronic products is void if the warranty label is removed or altered. All items should be packaged to normal commercial standards. PMT original packaging, if available is recommended.
- This warranty does not extend to any product which has been subject to, or caused by, misuse, abnormal environmental conditions, unauthorized alterations or attempted repair, physical damage, operator error, excessive force, improper installation, application of power in excess of the specified ratings, neglect accidental damage or other natural or man-made disasters.
- This warranty is a limited warranty, except as to title, and is in lieu of all other warranties, express or implied, including merchantability or fitness for any particular purpose, arising by law, custom or conduct. The rights and remedies provided herein are exclusive and in lieu of any other rights or remedies.
- In no event shall PMT be liable for consequential damages (including loss of business or profits) or punitive damages due to the failure of a PMT product. Incidental, punitive and consequential damages are specifically excluded from this limited warranty.

2. Warranty Period

- The warranty period varies by the product and is from the date of original factory shipment.
