

TRIMLINE VEHICLE DOCK FOR DURABOOK S14 LAPTOP

PMT's TrimLine vehicle dock for Durabook S14 combines industry-leading, compact design with durability and performance. Built to withstand everyday use and demanding environments, the Durabook S14 vehicle dock is a proven, dependable mainstay for docking rugged tablet mobile computers.

Available in standard and extended configurations, the Durabook S14 dock has a small footprint and occupies minimal vehicle cabin space, allowing for increased maneuverability and positioning in-vehicle. Constructed of high-strength, corrosion-resistant aluminum, the Durabook S14 vehicle dock is lightweight, has rounded corners (for safety, protection) and is finished in high quality black epoxy powder coat for durability and long-lasting value.
