

GUN MOUNTS

Safely secure your weapons with one of Gamber-Johnson’s single or dual gun mounts. Designed with the ability to change configurations and lock styles, this gun mount is a fully adaptable solution to meet your fleet’s needs.

Features

- Includes dual mounting brackets for flush or offset mounting on Gamber-Johnson passenger partitions or any flat surface
- Can be mounted vertically or horizontally to accommodate any vehicle set-up
- Dual channel system allows for full adjustability of lock heads and butt plates to fit a variety of weapon types and sizes
- Lock can be opened manually with a key or wired to open with a push button for quick and easy retrieval of weapons
